

Anegada Garbage Collection Schedule

Release Date: 9 October, 2025

The Department of Waste Management is advising residents of Anegada that household waste collection will take place on Mondays, Wednesdays, and Fridays between 6:30 a.m. and 10:00 a.m.

Residents are asked to place all household waste into the nearest communal bin by 6:00 a.m. on the designated collection days. The collection route begins at Fisherman's Wharf and continues throughout the village.

Please note that areas without communal bins will also receive house-to-house collection. Persons are asked to secure their waste until the scheduled day by double or triple-bagging the waste. This method prevents spillage, contains odours and provides a safer collection process.

Thank you for your cooperation as we collectively strive to make the BVI clean and green.
