Release Date: 5 December, 2025

Statement by Premier of the Virgin Islands
Honourable Dr. Natalio D. Wheatley,
on the Passing of Director of Communications,
Mrs. Karia Christopher

The government of the Virgin Islands is deeply shocked and saddened to learn of the overnight passing of Karia Christopher, our Director of Communications. Ms. Christopher was a highly respected and accomplished communication specialist, a trusted and valued colleague and a strong contributor to the effective delivery of the government's communications agenda. She will be terribly missed by all of us both professionally and personally. Her warmth, integrity and positive energy would always shine through, regardless of the situation. Our thoughts and prayers are with her husband, Rory, her two children, Hunter and Dakota, her mother, Delrice, her extended family and many friends at this very difficult time. The Government of the Virgin Islands remains in close communication with the Christopher family offering support as they manage this profound loss of their beloved wife, mother, daughter and family member.

May her soul rest in eternal peace.
