
Third Quarter Public Sector Debt Bulletin

Release Date: 5 December, 2025

Q3 2025 Public Sector Debt Report

Quarterly Breakdown

At the end of the third quarter of 2025, the Government of the Virgin Islands' total public sector debt stood at **\$145.95 million**, comprising fifteen (15) standard loans. Of this amount:

- **Central Government debt** accounted for twelve (12) loans valued at **\$107.23 million** (73.5%).
- **Guaranteed debt** represented three (3) loans totaling **\$38.72 million** (26.5%).

Annual Comparison (2023-2025)

The outstanding public sector debt balance at the end of September 2025 reflected:

- A **4.1% decline** from June 2025 (**\$152.23 million**).
- A **4.9% decrease** compared to September 2024.
- An **18.7% reduction** relative to September 2023.

These decreases were primarily attributed to the continuous servicing of debt. No new disbursements were recorded during the third quarter.
