Retaining Wall, Road Pavement and Drainage Works to Begin at Sabbath Hill on 24 March 2026

Release Date: 18 March, 2026

The public is notified that the construction of a retaining wall, road pavement and drainage work at Sabbath Hill will begin on Tuesday 24th March.

The project will start with heavy equipment works for the demolition of the road. One lane access will be maintained, motorists are asked to follow all traffic directions from personnel on site.

The Ministry of Communications and Works apologises for any inconvenience caused while the works are completed.
