

Suitable Contractor Needed to Undertake Outlifting of the Records Management Centre

Release Date: 22 April, 2026

(hereinafter referred to as the "Employer") is seeking the services of a qualified and suitable contractor to undertake outfitting of the Records Management Centre located at Pasea Estate, Tortola, British Virgin Islands (hereinafter referred to the "Works").

The Works consist of the supply and installation of industrial type shelving suitable for a Records Centre, installation of electrical lighting fixtures, conduits and appurtenances, and make fit for purpose, the ground floor of the CTL Building (formerly Elmore Stoutt High School), located at Pasea Estate, Tortola and owned by CTL Holding Ltd

SCOPE OF WORKS

The proposed scope of works requirements includes the following parameters from the storage system:

1. Structurally durable materials that can withstand a harsh environment as the current location is within a 100 miles radius of a marine/coastal area. Loading capacity should be geared towards commercial warehouse standards.
2. Dimensionally, a two-tier system that incorporates a mezzanine level for storage optimization. It will be required to have access to shelving from both sides of each row, with an access aisle incorporated.
3. Adjustable shelves at a minimum height of 15 inches. This is such that single stacking of file boxes can occur as opposed to double file boxes one atop

front and back of the storage system.

7. The storage system should be capable of access to the top tier via a small mobile lift to enable the safe transportation of items, which exceed 40 pounds, where manual handling is not feasible.
8. The storage system should have available spare parts and hardware for ease of maintenance and replacement.
9. The system should have a warranty period of a minimum 5-year period.
10. Funding for these works will be through the Employer.
11. The Employer's appointed representative shall be referred to as the "Project Manager". The term "Agent" within all documents shall cover consultants working under the authority of the Project Manager. The term "Tenderer" shall refer to the prospective contractor.
12. The Employer, therefore, invites qualified and experienced companies to submit tenders for the Works.
