Sewerage System Decommissioning and Upgrading Works to Commence in Cane Garden Bay

Release Date: 16 October, 2026

The public is notified that Sewerage works along the Cane Garden Bay Road corridor in the vicinity of Hodge’s Gas Station to the vicinity of De Wedding will commence on Tuesday 20th October 2026.

Works will start at the foot of Cane Garden Bay Hill, near Hodge’s Gas Station, and proceed toward De Wedding. The project includes installation of gravity sewer mains and submains, new pump/lift stations, manholes, utility kiosks and associated road reinstatement and environmental protection measures. Construction will be carried out in segments to maintain service continuity while the aged lift-station network is removed and safely disposed of.

Motorists are advised that traffic will be restricted to one lane in the affected areas. They are urged to exercise caution and follow the instructions of traffic management personnel.

The Ministry apologises for any inconvenience caused and thanks the public for its patience and cooperation.
