Livestock Deworming Workshop October 29

Release Date: 16 October, 2026

Livestock farmers and interested persons are notified that registration is ongoing for The Department of Agriculture and Fisheries' Livestock Deworming Workshop on Thursday, October 29.

The workshop will be held at the Learning Resource Centre, H. Lavity Stoutt Community College (HLSCC) from 9:00 a.m. to 3:00 p.m. and will provide valuable information and hands-on training in effective livestock deworming, parasite control, proper dosing, and prevention of drug resistance.

Interested persons are encouraged to register before the deadline Friday, October 23 to secure their participation.
