Anegada To Be Fogged 2-3 September

The Environmental Health Division will be conducting fogging exercises on Tuesday, September 2 beginning at 5:30 p.m. and continuing on Wednesday, September 3 at 5:30 p.m. on the island of Anegada.

The following areas will be fogged:

Location	Date
The Settlement to Nutmeg Village	Tuesday 2 September
Loblolly Bay, Keel Point and Setting Point	Wednesday 3 September

Persons with respiratory illnesses, particularly asthmatics are advised to vacate fogged areas for at least an hour. In the event of inclement weather, such as rain or high winds, fogging will not be performed.

Community members are asked to assess their properties and cover, mesh, discard or turn over all receptacles/containers that can collect water to reduce mosquito breeding. For more information, contact the Division at 468-5110.
